Local Road Construction

The following projects will affect traffic to and from Bobby Dodd Stadium for the 2008 season:

1. 14th Street Bridge Project
2. Downtown connector repaving project.

This page will be updated weekly during football season with traffic advisories. Please check back frequently.
www.gdot.org or by dialing 511 for Georgia travel information.

Campus Checkpoints

Please note that, beginning 3.5 hours prior to kickoff; vehicles will not be permitted to cut across campus from east to west or west to east. Pregame checkpoints, allowing access only to vehicles with the appropriate passes, will be set up at the following locations:

- Ferst Drive at State Street
- Ferst Drive at Atlantic Drive
- Fifth Street at Fowler Street
- Fifth Street at Techwood Drive
- Fourth Street at Fowler Street
- Techwood Drive at Bobby Dodd Way
- Techwood Drive at North Avenue
- Cherry Street at North Avenue
- Ferst Drive at Regents Drive
